S6733 ROAD RACING SET

No matter how many times you "drive" the Grand Prix you'll find it a new challenge. Every lap recorded on the Lap Counter will confront you with slightly differing factors of car reaction as the cars course through the road and road crossing ... past the obstacle hazard ... through the double chicane ... over the jump track ... through the lane changers and up and down the spiralling ramp. Lap counter records up to 50 laps and track makes race course 39" x 48" including:

1 S626	Lotus MK XXV Race Car	\$3.49

INSIDE BEAUTIFUL
GIFT PACKAGES
LIKE THESE
... QUALITY THAT
GOES CLEAR THROUGH

Whether your choice is HO scale model railroading or road racing . . . or if you've discovered the special excitement and fun when both these great pastimes are combined . . . TYCO warrants your first choice on every count. TYCO'S variety of full color gift packages is so handsome they're almost as much fun to give as to receive. And that's only the beginning. TYCO locomotives and train cars are authentic for detail and proportion . . . right down to the rivets. Every unit is fully spray painted to match official railroad colors. Road markings are exact and precisely lettered. In TYCO Road Racing Sets you can count on equal beauty and attention to authentic design plus super-detailing.

TYCO KEEPS THE 6 YEAR OLDS IN MIND

Most important of all . . . TYCO products are rugged. They're built for USE . . . years and years of it . . . even when their first use is likely to be in the hands of enthusiastic youngsters. Precision engineering, the most advanced production methods, quality and performance inspections every step of the way, hi-impact Styrene for car bodies . . . other plastics like Nylon and Delrin plus the right metals where only metal will serve for weight or balance or wearability . . . these are the kind of factors that make the fun of owning TYCO last and last.
